- Makes a major contribution to preparing students for the opportunities, responsibilities and experiences of life
- Supports young people to achieve their full potential
- Empowers young people to plan and manage their own futures
- Provides information which is a key determinant of career choice highlighting the importance of providing comprehensive information on all options
- Raises aspirations
- Promotes equality, diversity, social mobility and challenges stereotypes
- Supports young people to sustain employability and achieve personal and economic wellbeing throughout their lives

'The school is committed to meeting the Gatsby Benchmarks which can be found at <https://www.gatsby.org.uk/education/focus-areas/good-career-guidance>
