POST RESULTS SERVICES GUIDANCE

- **IMPORTANT** – as a result of a clerical re-check or a review of marking, the marks can do **down**, up or stay the same and **can affect your overall grade**. Check the grade boundaries for your qualifications – these are available online on results day, make sure you check the right exam board/qualification code. Ask your subject teacher for advice on this if unsure.
- All requests and costs are **per unit/component** (exam paper). The Exams Office cannot advise you on which paper/s to request, seek advice from your subject teacher. They may advise you to put in an ATS request (if you have time) so you can get copies of the exam papers first, then you can forward them to your teacher to read and provide further advice.
- If you are not in a hurry to get your review back (i.e. not needed for a university/college place), then **request one paper to be reviewed at a time**. The marks may go up/down on one paper, then do the opposite for the second paper so you may save money by requesting one at a time.
- The form must be signed by you, NOT your parent.

WHAT NEXT?

STEP 1 – Complete the form and send to Exams Office (t.harmer@shenfield.essex.sch.uk).

STEP 2 – Ask your parent/carer to look for the item on ParentPay and pay for the requests (this will be available within 1 to 2 days of the form being received).

STEP 3 – **Keep an eye on your school email account**, this is where the copies of scripts/review outcomes will be sent to. Due to GDPR, it cannot be sent to your personal or parent's email address.
