

A Level and BTEC Unit Qualifications **POST RESULTS SERVICES – JUNE 2026**

Examining bodies offer the following post results services:

Costs are PER PAPER so please consider which paper/s you want to get reviewed. If you are unsure, ask your subject teacher for advice and/or request an ATS to look at the papers before you get a review. All services must be **requested and paid for at least 24 hrs prior to the dates below**.

For **Service 1 and 2 requests**, your marks can go up, **down** or stay the same and **may change your overall grade**. We highly recommend you check how far away your total mark is to the next grade boundary, as it would be considered rare for marks to move more than 2 or 3 marks, if at all.

Grade boundaries are available from results day on the respective examining bodies' websites:

POST RESULTS SERVICES GUIDANCE

- IMPORTANT** – as a result of a clerical re-check or a review of marking, the marks can do **down**, up or stay the same and **can affect your overall grade**. Check the grade boundaries for your qualifications – these are available online on results day, make sure you check the right exam board/qualification code. Ask your subject teacher for advice on this if unsure.
- All requests and costs are **per unit/component** (exam paper). The Exams Office cannot advise you on which paper/s to request, seek advice from your subject teacher. They may advise you to put in an ATS request (if you have time) so you can get copies of the exam papers first, then you can forward them to your teacher to read and provide further advice.
- If you are not in a hurry to get your review back (i.e. not needed for a university/college place), and the qualification has more than one exam paper, then **request one paper to be reviewed at a time**. The marks may go up/down on one paper, then do the opposite for the second paper so you may save money by requesting one at a time.
- The form must be signed by you, NOT a parent/carer.

WHAT NEXT?

STEP 1 – Complete and submit the online form using the link/QR code below.

STEP 2 – For paid for services, ask your parent/carer to look for the item on ParentPay and pay for the requests (this will be available within 1 to 2 days of the form being received).

STEP 3 – **Keep an eye on your school email account**, this is where the copies of scripts/review outcomes will be sent to. Due to GDPR, it cannot be sent to your personal or parent email address. **You can then forward to your teacher if you wish** (e.g. if you would like them to help advise you on whether a paper is worthy of being reviewed).
