Shenfield High School provides learning for life. This focus underpins everything we do. Founded in 1962, our school has a deep-rooted tradition of providing a rounded educational experience for students supported by a strong set of values. In a rapidly changing world this is of vital importance.

At Shenfield High School we encourage everyone to have the highest expectations of themselves and each other so that learning is always at the centre of what we do. We know that students need to feel comfortable and secure in order to be the best they can be and so we focus on creating a supportive and happy environment.

We are a confident, ambitious and purposeful school. We emphasise high aspirations, mutual respect and learning as a lifelong journey. I look forward to working with you to ensure the very best learning and lives for the young people in our care.
