

The 16-19 Tuition fund Academic Year 2021-22

Shenfield High Schools allocation from the fund is £4,439

Shenfield High School's Plan for use of the funding:

Eligible students have been targeted in collaboration by our 6th form management team as well as wellbeing and pastoral teams who have identified the best way to support each individuals' needs.

Tuition will be provided to eligible students via weekly small group Maths sessions and additional 1 to 1 sessions as needed. Groups will be no larger than 5 and will be led by a member of our teaching staff.

Additional 1 to 1 tuition will also be provided by members of the 6th form leadership team with a focus on English and literacy.

Some additional small group or individual short courses may be offered and led by one of our teaching staff.

In cases where the emotional welfare is limiting the learning of these disadvantaged pupils, additional support will be given via our pastoral and safeguarding support systems.
