Upload a Video to YouTube

Open <https://www.youtube.com/> and sign with your google account.

Click on the + Icon in the top right corner

From sub menu click on upload video

Click Select Files button or drag the video over to this part screen to upload a video

Now enter details about video in the Title page and Description boxes

Now Select a thumbnail from the list

The screenshot shows the YouTube upload interface for a video titled "My First Video". The interface is divided into four tabs: Details, Video elements, Checks, and Visibility. The "Details" tab is active, showing fields for Title, Description, Thumbnail, and Playlists. The Title field contains "My First Video". The Description field contains "My very first ever video about my channel!". The Thumbnail section shows a list of three thumbnails, with the first one selected. The Video link section shows a link "https://youtu.be/Aa-MHzOIFU8" and a filename "My First Video.mp4". A "NEXT" button is visible at the bottom right. Orange arrows point from the text above to the Title, Description, Thumbnail, and Video link fields.

Click copy link button and paste the links into the online submission form:
