RESPECTFUL RESPONSIBLE READY

Shenfield High School is a standalone 11-18 Academy with a comprehensive ethos and a commitment to high academic standards supported by a significant investment in pastoral care and wellbeing.

We have over 1500 students on roll including more than 300 students in our sixth form; this year we have received over one thousand applications for 240 places in year 7 in September 2023.

We offer a broad and rich curriculum from years 7 to 13 with a full commitment to the traditional academic, creative and the physical. Our reputation for sport, both elite and recreational and for our creative arts is second to none for a state comprehensive school. Through the efforts of our highly engaged staff the curriculum runs strongly through into the extracurricular with clubs and activities offered in all areas.

Extra Curricular

"The secret of success is to be ready when opportunity comes..."

The whole school community has devoted significant time in the past two years revisiting the school values and the House System. Our school values form the basis of our behaviour and rewards policies and underpin our school culture whilst our House System forms the scaffold for our student leadership structure.

Our Values

RESPECTFUL

RESPONSIBLE

READY

We treat each other with kindness and dignity, valuing the diversity of our community.

We take accountability for our actions and recognise the impact of our choices on our community.

We are given the tools and knowledge to face all expectations and use them to take full advantage of the opportunities.

Our greatest asset is our staff, 'Team Shenners'. Our teaching staff are very experienced and committed to Shenfield High School and they are complimented by a group of newer entrants to the profession who bring fresh ideas and energy to the school. The teaching team works hand in hand with the highly qualified and experienced support staff who are integral to the daily functioning of the school.
