STATEMENT

Please read the following statement carefully. It is the school's commitment to those selected. By applying for a selected placement based on aptitude in performing arts, children and their parents are making a commitment to the full involvement of that child in the performing arts curriculum and extra-curricular programme. Selected pupils will be expected to work hard in all their subjects in the national curriculum, as well as at their specialism in performing arts areas - acting, singing and dance. The school encourages all pupils to achieve their full potential and with those selected, their talents in the arts will be developed to levels of excellence. This will be in the context of the education of the whole child. A partnership between school and home therefore is essential if a pupil is to succeed to the best of their ability.

In this section we would like you and your child to each make a short statement giving reasons for applying for a selected place and what you are hoping to gain from attending the Performing Arts

Academy.
